The account review section of The Ruth Group Convergence Point website is your information repository for critical data related to corporate governance and practices. This section includes the required applications to secure coverage for Directors & Officers, Employment Practices Liability, Fiduciary Liability and other related coverages. This will also be the source for other documents that will be reviewed in the underwriting process, such as historical loss information, company financial data, employee handbooks and employment contracts.

This section will allow you to enter key data, as well as retrieve it as needed from a convenient web platform. Once you enter this section, specific instructions will be provided on the completion of forms, how to access additional information, and other frequently asked questions. You can also access the "help" section for additional online support.
